This is UNEVALUATED Information  The source evaluations in this report are definitive.  The appearsal of content is tentative.  (FOR KEY SEE REVERSE)  1. Reorganisation of Planning and Designing Offices (Entwurf Offices):  Planning and designing offices, especially those of the building industry, are to be reorganised. The total number of employees, both in Berlin and the DDR generally, is to be reduced and the work is to be decentralised, so that each Besirk is responsible for itself. Expert personnel will be allocated to work on the job by the Besirk headquarters. In consequence, planning offices in the Berlin area will be informed only about construction in the area itself.  2. Barracks Construction:  A largescale plan for the construction of numerous barracks in various parts of the DDR has been in the offing since 1952,  The constructions vary in value between 5,000 and 150,000 eastmarks. The following locations are among those selected for construction plans:  Gompertshausen,	30	← Co			25X1
